**Mission Statement:**

The mission of Aetna is to help people achieve health and financial security by providing easy access to cost-effective, high-quality health care.

About us:

Here at Aetna, a CVS Health business, we are building a healthier world by making healthcare easy, affordable and all about you. Follow our LinkedIn page for company news, industry commentary, jobs and more.

Founded in 1853 in Hartford, CT, Aetna is one of the nation's leading diversified health care benefits companies, serving an estimated 46.7 million people with information and resources to help them make better decisions about their healthcare.

As a health care leader, we believe that our corporate responsibility starts with helping people live healthier lives. And that means using our resources to make the communities and world we live in better places. We firmly believe we can do well by doing good, and we continue to find new ways to broaden our impact, including through a strong social compact with our employees.
