**Family Now**

**Mission Statement:**

It is the mission of Spotlight News to be a vibrant, trustworthy, and indispensable source of local news as well as a viable marketing vehicle for businesses throughout the unique communities we serve.

About us:

We are now publishing a brand new magazine, first published in June 2020, called Capital District Family Now. It is a combination of both of our monthly magazines – Capital District Parent Pages and Capital District Senior Spotlight with a multi-generational family focus.

Family Now will still have the same regular themes as Parent Pages, such as our summer camp and back to school issues, along with a monthly calendar of events. It will also include the Senior Spotlight columnists and senior center activities, along with content relevant to every member of your multi-generational family arranged in an easy-to-browse format that groups articles by age range.

For information and/or to advertise in our monthly magazine please contact Ms. Denice Mau at [MauD@Spotlightnews.com](mailto:MauD@Spotlightnews.com) or call 518-439-4949.

You can also visit our website at [www.cdFamilyNow.com](http://www.cdFamilyNow.com).
