This Congregate Dining Program is supported in part by the Albany County Department for Aging, the New York State Office for Aging, the Administration for Community Living, and CDPHP. All Albany County congregational meal programs allow for a suggested contribution of \$3.00. Contributions are very much appreciated and go directly to support and expand the congregational meal program. Contributions are voluntary, confidential, and purely optional. All seniors are welcome and encouraged to attend our meal program. Please make a reservation to assure we have a meal available at the meal program you would like to attend. No one will be turned away due to an inability to make a contribution. All meals are served with milk. Some items may be subject to last-minute substitution.
