TERMS

LifePath@the Watervliet Senior Center is dedicated to keeping our older neighbors and friends healthy and safe by providing effective programs and supports to help them stay connected to our communities. All proceeds from the Marketplace will help to provide programs and services to older adults in Watervliet.

Full payment is required to reserve a vendor space, with no cancellations or refunds permitted. Vendors may arrive at 9 am and no later than 9:30 am for set up. All booths must be ready for business at 9:50 am. It's essential that all displays are appropriate for all ages, as this is a family-friendly event.

Vendors are required to remain set up with at least one staff member present for the entire duration of the Marketplace. Vendor booths must be completely torn down and free of debris by 3 pm. Additionally, vendors must comply with all New York State guidelines and regulations regarding the production and sale of their products, with necessary certifications, licenses, or permits prominently displayed and visible.

Product exclusivity is not guaranteed. Vendors consent to the use of their names, products, logos, and social media handles for promotional and marketing purposes. They also agree to allow LifePath to photograph their booths for use on social media and the organization's website.
